### 1g | CURED RESIN EXTRACTS

#### CITRADELIC SUNSET

86.1% THC | 98.2% TAC  
4.4 %Terpenes

#### RAINBOW RUNTZ

80.3% THC | 92.0% TAC  
2.1 %Terpenes

#### POT OF GOLD

67.5% THC | 77.8% TAC  
5.2 %Terpenes

### CITRADELIC SUNSET

Citradelic Sunset is a sativa-dominant hybrid cross of Ghost Train Haze and Mandarin Sunset. Notes of sour, sweet, and citrusy flavor. This strain is known for its energetic and inspiration-evoking high.

### RAINBOW RUNTZ

Rainbow Runtz is an indica-dominant hybrid. Its effects strike a balance between the cerebral euphoria characteristic of sativas and the physical relaxation typical of indicas. The flavor of Rainbow Runtz is as diverse as its effects, featuring a complex bouquet of sweet berries and tropical fruit with earthy undertones.

### POT OF GOLD

Pot of Gold has a refined sweet, fruity hashish taste and an extremely potent physical effect. Pot of Gold gives the user the kind of high that makes them feel that they deserve a break from all the troubles.
