#### CITRADELIC SUNSET

Citradelic Sunset is a sativa-dominant hybrid cross of Ghost Train Haze and Mandarin Sunset. Notes of sour, sweet, and citrusy flavor. This strain is known for its energetic and inspiration-evoking high.

#### APEX

Apex offers an impressive terpene profile that ranges from sweet candied lilac and lemon, to grapefruit and fuel. People often choose Apex when dealing with symptoms associated with anxiety, nausea, and pain.

#### CEREAL MILK

Cereal Milk has a sweet and creamy sugary taste with hints of fruits and berries throughout. The aroma is very similar, although with a light herbal touch to it. Usual effects will have you feeling calm yet focused for hours on end.

#### GUSERZ

Gusherz brings on the flavors with a combination of sour tropical fruits and rich creamy cookies. The aroma follows the same profile, although with a slightly herbal overtone and touches of spicy grape. Gusherz is said to be perfect for treating chronic stress or anxiety, depression, and chronic pain.

#### NYC DIESEL

NYC Diesel boasts a potent, sweet citrusy flavor that many describe as similar to grapefruit with undertones of diesel. This strain leans to the sativa side and provides strong cerebral effects that ease into a deep, full-body relaxation over time.
